

## Project 1

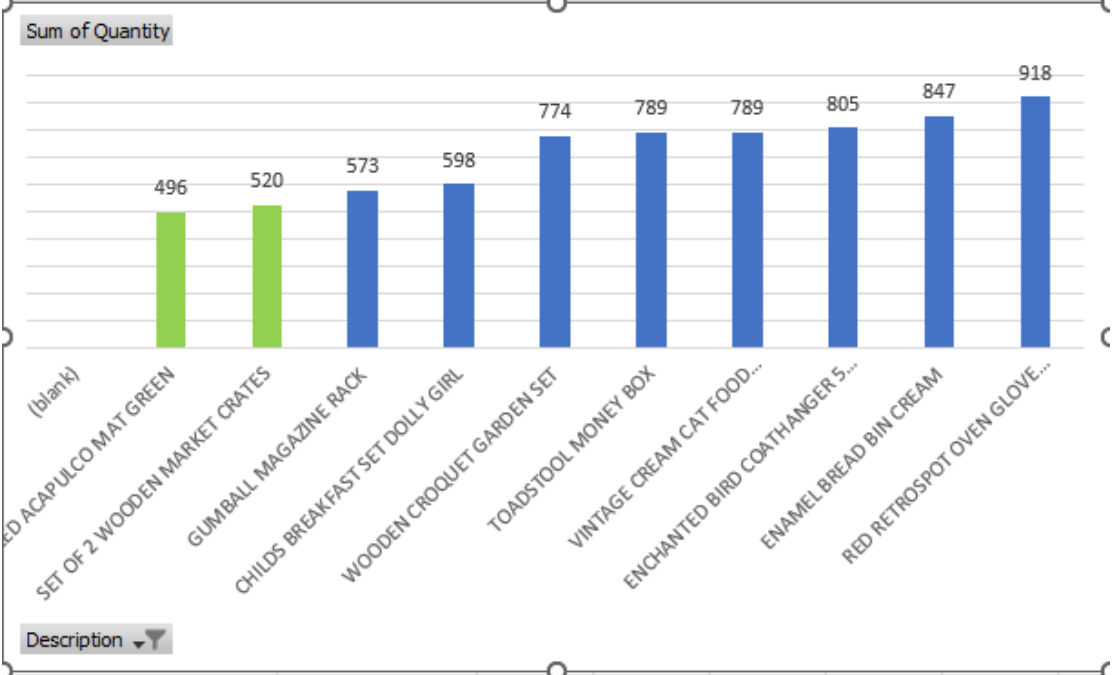

If we want to improve our ecommerce website, we should visualize our sales of products

Then we want to see what Products sold the best we find that LUNCH BAG RED RETROSPOT and 60 TEATIME FAIRY CAKE CASES are best selling ,We will improve them

Then find that  
RECYCLED ACAPULCO MAT GREEN and SET OF 2 WOODEN  
MARKET CRATES are discontinue selling, We will delete them

Finally we will find that the most selling months are February , March  
and April  
We can consider that this is the season of our selling
